Please ensure you have enough PPE and hand sanitizer for the event. Note that the information point container will not be used. Results are available on your own devices on line (details at the end) and any of the MSCC officials in yellow vests will be able to provide information you need, so please ask.

Thank you for your entry and support. The Committee hopes that you will enjoy the event and we thank you for your co-operation which will make this a successful event.

Eligibility: It is the competitors' responsibility to ensure compliance with the eligibility of their vehicles.

The meeting comprises of the following championships: Guyson Scottish Hill Climb Championship, MAXSport Competition Tyres (Scotland) Lowland Speed Championship, PR Highland Speed Championship, Scottish Speed Championship.

Batches/Running Order: Details of the running order will be handed out at sign on. Cars will be run up the hill in several batches. Cars will be held in the upper paddock until the batch is completed at which point they will be June Doune 2021 Page 1 of 3 Revision 1

returned to the paddock under control of the Clerk of the Course. When returning down the hill cars must proceed at a slow speed and helmets must be worn in open cars. Double entries will be accommodated in the preceding batch.

Red Flag: If during a run you are shown a red flag, the following procedure must be adopted. Slow down to walking speed as quickly as it is safe so to do and stop at the next marshal's post. Do not move until given verbal instructions from the marshals at that post. The marshal will confirm that you understand their instructions, which must be complied with at all times.

Security & Access: for this meeting there is no access to the hill for spectators.

Tyre Warming: A designated tyre warming area will be marked before the start line by traffic cones beside the track. Tyre warming will only be permitted within this area. As this regulation has been introduced on safety grounds, it will be strictly enforced and your co-operation would be appreciated. All tyre protection must be removed prior to leaving the paddock.

Car Numbers: For safety reasons numbers of 6" minimum height must be displayed on both sides *and the front* of each car so that they are clearly visible from marshals' posts located on both the left and right of the track. A limited supply of black & white numbers will be available at sign-on.

Motorsport UK Year Book: The meeting will be held under the General Regulations of Motorsport UK (incorporating the provisions of the International Sporting Code of the F.I.A.), the Supplementary Regulations and any written instructions that the organising club may issue for the event.

Newcomers: All drivers who are new to Doune are requested to make themselves know to the secretary of the meeting

Paddock: The paddock is the field to the left of the driveway with access through the gate about halfway along the drive. Competition cars should be parked in accordance with the numbered markers which will be laid out on Friday. One support vehicle OR trailer is permitted in the paddock parked behind the competition car. All other trailers, caravans and support vehicles should be parked in the <u>second</u> field to the right of the driveway, with access through the gate past the paddock entrance. NO trailers or support vehicles are to be left in the Antique Centre car parks *AT ANY TIME*. Please keep the gate to the camping field clear and do not park within 20 metres as we may need to turn a bus.

Oil Disposal: Please remove all waste oil in a sealed container and dispose of properly.

Litter: Black bags for rubbish are available from the Secretary's of the Meeting's office free of charge. Please remove all your litter and waste from the paddock and camping area and deposit it in the skip.

Health and Safety: Legislation requires us to have a Health & Safety Plan. The competitor's supplement will be displayed at Signing-On, and copies are available from the office. By signing-on, all competitors and officials are acknowledging that they have read and understood the supplement.

Tyres: The use of List 1a & 1b tyres is permitted by those competing in the Scottish Hill Climb Championship and Lowland Championship in the Road and Modified car classes.

Methanol: Cars using methanol must use an additive such that the flame is coloured

Drones - as an Motorsport UK licenced event the use of Drones is prohibited anywhere on site. Commercial use must be authorised by the CoC prior to use.

Titanium skids: All cars must be setup such that any titanium skids do not touch the track at any time.

Drone Photography Prohibited

Awards: Awards will be presented at the end of the meeting via social distancing policy

Caravans/Motor Homes/Tents: No fee will be charged for overnight camping providing you are attending the event with a competitor, a donation to club funds may be made to the scouts on the entrance as all donations are gratefully received as you know most venues charge £5-20 for this so we thank you for your generosity.

The landowners at Doune have requested that no caravans, motor homes, support vehicles or tents be situated on topJune Doune 2021 Page 2 of 3Revision 1

of the knoll inside the first gate of the camping paddock. Please comply with this request, otherwise you will be asked to move your vehicle. The caravan and camping area is now available until 10am on the Monday morning. Please make sure that the filed is left clear of rubbish when you leave.

Drivers briefing and final instructions Doune Hillclimb June 2021

Dear Competitor, Official, Marshal and Crew.

Thank you for participating in this weekend, we have obviously a few changes from the normal event, please read the finals along with the details in this briefing; by signing on (electronic details sent separatley) you will have agreed to follow the guidelines for the safety of yourself and all others attending.

Firstly, COVID guidelines as we know can change quickly so please make sure you are up to date with the latest information from Motosport UK <u>https://www.motorsportuk.org/wp-content/uploads/2021/05/2021-05-25-getting-motorsport-back-on-track-speed-appendix.pdf</u> and both local and national government guidelines as the rule applying where you are may differ from those at Doune, if you are unsure of anything at all please contact me or Billy (details below).

All those attending (including crew which we have allowed a maximum of three per entrant) must sign on using the electronic links provided a list will be complied (GPDR compliant) and you will be issued a wristband on arrival which should be worn at all times, no wristband no entry so if you lose it please ask for a replacement.

There will be no spectators at the event and social distancing should be observed wherever possible, masks will not be required unless you are requested to do so by an official, if you prefer to where a mask that is entirely up to you, sanitisation stations will be around the site please ensure you follow the signage posted, extra toilet facilities will be provided and cleaned on a regular basis, no one will be allowed on the hill except a small number of photographers who will be registered with Ian Thompson if you are not on Ian's list you cannot attend.

The only drivers briefing will be for new drivers to Doune which will be held socially distanced on the start line at 8am both Saturday and Sunday, it is required that all drivers familiarise themselves with the track as the trees have been removed in the tunnel which makes the approach to junction very different, once the event starts the track and spectator path will be not accessible to anyone except photographers and officials.

Please make sure you are aware of your batch as we will commence on time due to the fact scrutineering will not take place in situ so be ready to join the queue paddock marshals will assist where possible but please remember only members of your crew should deal with movement of your vehicle, all wheel coverings etc must be removed before leaving the paddock and no crew will be allowed on the start approach unless a car fails/stalls and assistance is required.

RED FLAG procedure, if you are shown a red flag during your run you must stop immediately and take verbal instructions from the marshals, we may have to put you to one side to let incident crews through it is unlikely we will turn you around unless at a suitable place so be prepared to continue to the holding paddock when advised and you will be given a re-run as soon as possible.

If you have an incident the marshal will approach you and if you are ok please give the marshal a thumbs up and they will advise you the next process to recover you.

Cars requiring start batteries or devices in the holding paddock will be dealt with by the marshals only there will be no "rides" to the top all equipment required should be sent to the holding paddock before the event commences we will provide 12/24v batteries as well, if there is a specific issue please let me know and we will accommodate as much as possible.

Catering will be as normal in the paddock please support them as much as possible as revenue will be down due to the lack of spectators, if you see any issue with social distancing or cleanliness of the facilities please report it to a member of the team, our COVID officer is Aileen Gemmell who will be present all weekend.

As we have all lived with the ever changing COVID situation for some time now please use your knowledge to help us create a safe event, rules are constantly changing and of course could change a lot between now and the event taking place, any major changes will be communicated directly via email and on our website/facebook page as mentioned above should you have any concerns please contact myself or Billy, if urgent phone will be the best way.

If you are camping please ensure you use the facilities provided and clear all your rubbish to the bin area before you leave

If you are camping please ensure you use the facilities provided and clear all your rubbish to the bin area before you leave

On behalf of the team at Lothian Car Club we thank you for your continued support of Doune and hope we can all have a safe and successful event.

Finally I would like to thank all the team for the huge amount of work that has gone in to make the event happen without your efforts there simply would be no Doune.
